

ALBANY COTTAGES

NASSAU, BAHAMAS

CLIENT: Tavistock Group

COMPLETION DATE: 2009

PROJECT SCOPE:

Sean's role in the Albany Cottages was as lead designer and project principal.

PROJECT DESCRIPTION:

The Albany Cottages are located within the Albany residential development on New Providence Island in the Bahamas. The cottages are luxury beachfront homes designed by Robert A.M. Stern Architects. Each Cottage has private courtyards, pools, and a strong connection to its tropical setting.
