

# DESERT OASIS

MARRAKESH, MOROCCO

**CLIENT:** CDG

**COMPLETION DATE:** Un-Built

**PROJECT SCOPE:**

Sean Simms provided conceptual masterplanning and landscape architecture for this project.\*\*

**PROJECT DESCRIPTION:**

Desert Oasis is a 500 Ha. Project that was designed around a Moroccan fairy tale legend. The project has three distinct villages each with their own design theme. In addition, the project includes a Kasbah-style hotel, a town center with medina, and a golf course.

\*\* Personal Experience of Sean Simms while at Canin Associates
