

# HYATT REGENCY

KOCHI, INDIA

**CLIENT:** Emke Properties

**COMPLETION DATE:** T.B.D.

**PROJECT SCOPE:**

SKS Studio prepared conceptual design documents as part of a competition submittal in collaboration with SB Architects.

**PROJECT DESCRIPTION:**

The Hyatt Regency Kochi is a destination conference hotel. The project will include a hotel with a large conference center and event facility set among luxurious watergardens. In addition, the project will boast a free-standing destination spa, detached Regency Club Villas, and a retail village.
