

ORIENTAL HOT SPRINGS RESORT

JINTAN, CHINA

CLIENT: Oriental Hot Springs Resort

COMPLETION DATE: Currently in Design

PROJECT SCOPE:

SKS Studio is currently providing full project masterplanning and conceptual landscape architecture.

PROJECT DESCRIPTION:

The Oriental Hot Springs Resort is being developed in the hills near Jintan. The focus of this new resort is to highlight the Taoist culture and create a series of interactive courtyards where visitors can experience different events. The project will have many guesthouses, a resort hotel, a conference center, interactive attractions, and a hot springs waterscape.
