

XANADU

ANTALYA, TURKEY

CLIENT: Aydner Industries

COMPLETION DATE: 1999

PROJECT SCOPE:

Sean Simms was involved in the project as design landscape architect through Design Development.

** Personal Experience of Sean Simms while at EDSA*

PROJECT DESCRIPTION:

Xanadu is a 5 Star Resort located near the Taurus Mountains in Turkey. The project includes a hotel, villas, 3 swimming pools, and an aquapark. This destination resort was themed to incorporate the ancient Roman ruins that dot the Turkish countryside. This theming was seamlessly integrated into the overall design of the waterfeatures.
